CONGRESS BIBLE & MISSION BOWL

The purpose of the Bible and Mission Bowl is to involve RA/Challengers in **Bible and Mission Study**.

Qualifications:

Each RA Chapter should be very familiar with the book of the Bible chosen for each year's bowl. Just study that bible book and you'll be ready! (Check on-line each year at www.ga-ra.org for the bible book to be studied.) There will be a Bible and Mission Bowl for Lads, Crusaders, and Challengers.

Bible and Mission Bowl Action:

A moderator will read the questions.

The first chapter to buzz in will get the opportunity to answer the question.

If a chapter buzzes in before the question is completely read, they must give an answer with only the information read so far.

If the first chapter to buzz in gives an incorrect answer, the remaining chapters may buzz in and answer the question.

If an incorrect answer is given, the question will be repeated in its entirety for the remaining chapters.

The chapters will have 10 seconds to answer the question.

If no chapter answers within 10 seconds, the question is void and another question will be read.

Sources for the questions will be the Qualifying Questions and the book of the bible to be studied.

Scoring:

Each chapter will start out with four (4) points.

Each correct answer will add one (1) point to the chapter's total.

Each incorrect answer will subtract one (1) point from the chapter's total.

If a chapter loses all its points (score=0), that chapter is eliminated from competition.

The first chapter to score a total of eight (8) points wins the round.

Remaining chapters will continue to compete for remaining positions.

The first place winners in each round will compete in one final round. The first chapter to score a total of eight (8) points wins the bowl, and the remaining chapters will continue in the same manner to determine second, third, and fourth place.
